**Booster Club:** Meadow Heights Booster Club is here to “boost” student organizations, athletics, and teachers’ classrooms with whatever financial needs they may have. Any parent, teacher, or community member may join. No membership dues. We hold several fundraisers throughout the year to “boost” our clubs and organizations. We also give 5 senior scholarships each year.

**Parents as Teachers (PAT):** For children birth to kindergarten entry. Monthly in home visits with an activity connected to developmental milestones. Yearly screening offered.

**Children will learn more when parents are actively involved in the educational process. Our observation is that, almost always, the children who are more successful in their schoolwork are the children who receive extra help at home.**
